Stephanie, please call Commander Gary Kassof of the US Coast Guard. He was going to call Mike Hoppe, but since Mike is on family leave, that call probably went nowhere. Commander Kassof wants to know if this project is being performed under an ACO or Directive. After he gathers all the facts, he will make a decision about what to do with the bridge.

Let me know if you want dmi to do a follow-up call..

Commander Gary Kassof Phone: 212-668-7021.

Thanks.
